

Create Profit and Impact with “Sassy” and “The Sage”

Are you ready to...

Create a confidence that will take you exactly where you want to go?

Polish a perspective that others value and want to hear?

Release the excuses that are holding you back?

June Cline is Southern,
Sassy & Savvy

Jim Tilmon, the “Sage” is Passionate
Powerful & Unpretentious

Both have lived through and conquered challenges that would bring most to their knees.

Together they are dedicated & determined to challenge you to rise to the possibilities of your life.

They both believe it is the individual that will save not only themselves, but also our jobs, communities, country and yes, possibly the planet.

If you are ready for a powerful perspective,
laced with excitement and a plan to help you ignite
not only a year but the rest of your life,
join them both for two hours of inspiration and challenge
to move you into high gear.
